SBA Disaster Outreach Centers in Nine California Communities to Close

Sacramento, CA – The U. S. Small Business Administration (SBA) will close its Disaster Outreach Offices in **Santa Cruz, Half Moon Bay, Monterey, Moss Landing, San Francisco, Bodega Bay, Fort Bragg/Noyo Harbor, Eureka** and **Crescent City** on the dates indicated, announced Alfred E. Judd, Director of SBA's Disaster Field Operations Center - West. All disaster victims who have received an SBA application are encouraged to return it to us at one of the offices before they close. These offices were opened to provide personalized assistance to fishers and small businesses owners that suffered losses from the restrictions on salmon catches along the California and Oregon coast.

"SBA's customer service representatives will still be available to answer specific questions about how a disaster loan from SBA may help each victim recover from the disaster, and provide one-on-one assistance in completing their loan application," Judd said.

According to Judd, SBA's disaster declaration covers all salmon fishing ports from Santa Barbara, California to Astoria, Oregon. "SBA is still offering working capital loans of up to \$1.5 million to pay fixed debts, payroll, accounts payable and other bills that can't be paid because of the disaster's impact. These loans can provide vital economic assistance to the fishing and fishing-dependent businesses to help overcome the temporary loss of revenue they are experiencing," Judd said. The interest rate is 4% with terms up to 30 years.

Businesses unable to visit the SBA Disaster Outreach Center may obtain information by calling toll-free **(800) 659-2955**. Hearing impaired individuals may call toll-free (800) 877-8339. The deadline to apply for these loans is April 6, 2007.

See the attached list of locations and dates of closings.
